Royal Agricultural Society of NSW

RURAL ACHIEVERS AWARD INFORMATION

The Royal Agricultural Society of NSW' commitment to shape the future of Australian agriculture necessarily demands equal commitment to the future leaders of rural communities and agriculture.

The R.M.Williams RAS Rural Achiever Award is a state-wide leadership program run by the RAS to recognise future young leaders (20-29 years of age) who are working hard to make a significant contribution to their community and to rural Australia.

The program promotes and facilitates unique agricultural industry networking opportunities with rural leaders and other likeminded individuals through RAS connections, committees and functions during the Sydney Royal Easter Show. This heightens the opportunity for participants to become future leaders in primary industries and the rural community.

Additional opportunities throughout the year include representing NSW at the National Rural Ambassador Award, and the chance to partake in an exchange program to the Royal Adelaide Show. As part of an ongoing alumni program, our hope is that Rural Achievers also become ambassadors for the RAS and the wider Show movement.

What's in it for you?

Eight Rural Achievers are selected to receive an extensive eight-day program of events during the Sydney Royal Easter Show. Itinerary includes function at Government House, stewarding, behind-the-scenes look at the Show, dinners with respected agricultural industry leaders, plus:

- A share in \$17,000 prize money
- A unique and extensive variety of networking opportunities with agricultural industry leaders and delegates.
- A uniform provided by R.M.Williams & RAS embroidered Akubra
- Complimentary 1 year RAS membership
- Personalised Mentor Program with RAS representative for duration of 1 year.
- Professional development sessions lead by respected industry professionals.

Chief Steward: Shannon Arnall
Final Judging: 1:00 PM
Finalists on display from 9:30 AM

Placegetters announced at 1:00 PM

The competition started in 2009. It has now grown to the largest participation competition in NSW. It is now more than a sheep competition but one of the major social events for graziers in the Crookwell area. We greatly appreciate the support of ANZ Agribusiness Goulburn, as the sponsor as well as the local exhibitors.

Full details of the 2025 competition including rules, entry forms and judging timetable are available on the website <https://www.crookwellshow.com.au/flock-ewe-comp>

1st round Judging will take place on farm over the days of Wednesday 29th January & Thursday 30 January 2025, where judges will visit the entrants on their property to view their flock of ewes. You are welcome to accompany the team for this judging and can do so by contacting the Secretary, Michael Lowe on 0407 552 619.

Teams will be judged on the following scale, and must show a minimum of 50 ewes:

Wool Quantity for type	50 points
Wool Quality and Character for type	50 points
Conformation, Structure and Size for type	50 points
Commercial Qualities	25 points
Culling Percentage	25 points
Total	200 points

On Sunday 11 February 2024 in the Sheep Pavilion at the Crookwell Show, the finalists will display their pens of top 5 ewes. The winners and placegetters of the competition will be announced at 1:00 PM on this day.

Local on-farm judging Wednesday 29th January & Thursday 30 January 2025

Conditions of Entry

1. The competition is open to any person, partnership or company; provided the sheep exhibited have been bred on the property of that person, partnership or company and the property is in the Crookwell region.
2. The sheep exhibited must have been running on the property of the entrant for the full twelve months and must carry the registered earmark of the entrant.
3. Sheep entered in the competition must not carry more than twelve months wool. Rugging and/or pampering of sheep included in the entry are not allowed. If, in the opinion of the judges and/or committee other non-commercial practices have been carried out, they may disqualify that entrant from participation in that year's competition. The judge and/or committee's decision will be final.
4. To compete, all "classed in" maiden merino ewes of the same drop showing no more than two (2) permanent teeth must be available for judging. **A minimum of 50 ewes are required to compete.**
5. Each exhibitor must complete an entry form. A fee of \$50.00 will be charged to assist in covering costs, and payment must accompany the entry form.
6. On the day of judging all maiden ewes must be presented as one mob in a yard for judging with access to a drenching race. The judges will instruct when to fill the race for further inspection.
7. In addition, entrants will be required to display their top five ewes in a separate pen on judging day.
8. Exhibitors shearing after 1 December 2024 are entitled to present 10% (to a max of 50 head) of their maiden ewes in full wool for judging. Apart from the exhibitors top five these should be a random selection.
9. Eight finalists will be announced in no particular order at the presentation evening. Four finalists will be from entries shorn before 1 September 2024 and four finalists from entries shorn between 1 September 2024 and 18 January 2025. First to Fourth placings will be awarded in each category at the Crookwell Show with the highest scoring flock being awarded the Champion Prize.
10. Any person, partnership or company, who is a registered stud of the NSW Stud Merino Breeders Association or who has bred and then sold or traded merino rams to another merino enterprise within the last five years, will be ineligible to enter the competition.
11. Standard culling percentage of approximately 30% is deemed acceptable in the commercial sheep industry. Extremes above or below may incur penalties where the judges see fit.
12. All decisions and judgments made by the committee will be final.

CUT FLOWERS - General

Judge: Alex Ross
Entry Fee: \$1
Prizes: 1st \$4, 2nd \$2

Floral Hints:

- Pick most show entries on judging morning – very early (or late on the evening before) and put straight into water up to their necks – then taken inside for sorting into individual jars
- Don't add anything to the water – if the flowers have a good drink when they are picked, most will last without additives. The stage of bloom at cutting time is critical. The flowers should be fully out at judging but JUST! Judges look for different things with flowers and it is not always the size. Symmetry is very important – and even shape and (the same on both sides) and blemish-free blooms.
- Cut flowers to be displayed in plastic vases, vases will be available on the day for exhibitors to place blooms ready for display.

Notes

Foliage, stone, figurines, drapes etc. may be used in all work unless otherwise stated.

Flowers do not have to be from exhibitor's own garden unless specified.

Floral -art sections are in titles- they are an art form, the title suggests a style and the finished article is a whole picture, a blend of shape, size, colour of container and contents. The first element is the container, and it must suit the style. 'Bold and Beautiful' for example would not suggest a shapely, slender container. The next important element is the line material, or non-plant material that provides the background, the emphasis being on 'line'.
